Submission Regulations

The School of Computer Science requires that all submissions adhere to the guidelines as articulated in the *Presentation of assessed written work* document which can be found on the General course on Moodle.

By checking the confirmation box below you are acknowledging that you have read these guidelines and adhere to the conditions within it.

Plagiarism

Part B of the University Regulations is concerned with Academic Offences, including collusion, use of misleading material, plagiarism and cheating. Please ensure you read these regulations.

You are required to keep an electronic copy of any text or code-based coursework and may be asked to resubmit this at any time.

Your work may be copied and stored for the purposes of assessment, which may include double and second marking, review and/or moderation by external examiners approved by the University, and plagiarism detection.

Extensions

Extensions may be granted for extenuating circumstances. Only the Extensions Officer can grant extensions. Applications will only be accepted if they are on the *Extensions Requests Form* which can be found on the Useful documents area of your Technology Level Site on Blackboard.

EXTENSIONS WILL NOT BE GRANTED AFTER THE DATE OF THE HAND IN

If you have an extension for this submission print your Authorisation Code here:

Type a "Y" character to confirm that you have read the University regulations and that you understand them and that the work that you have submitted is your own.

Date of submission

17/03/2016
